

Mrs. Georgina Arceo is a true advocate for the community she lives, loves, and serves. She is on the quest to build relationships and partnerships as well as increase network opportunities for community capacity building.

Mrs. Arceo, became a member of MUSA in 2014 which impacted her life to be the best version of herself. Because of MUSA, she enhanced her English speaking, writing, and writing skills.

These skills motivated her to gain her GED and from there, the rest is history. She was empowered to not only gain literacy skills but to utilize the skills to serve her community and make a grand impact.

As one of MUSA's leaders, Mrs. Arceo's goals is to scale MUSA in order to make an impact in many women's and mother's lives.
