

Mrs. Beatriz Guerrero, holds a Master in International Trade from the University of Guanajuato and Master in Public Accounting from the University of Guadalajara. She holds a certificate as an Executive Secretary issued by the Secretary of Public Education. She has been involved with the Long Beach School District as a member of VIPS and PTA representative before the ILAC and DCAC committee. Mrs. Guerreo has collaborated with many community organizations including the YMCA involving different workshops in conjunction with California State University Long Beach.

Within the religious and cultural sphere, she has extensive experience in different positions such as International Representative, National Western Zone, President, Secretary, AC Partner.

Her encounter with MUSA was in 2010. She found here part of her essence of service and to help the community. Mrs. Guerreo identified immediately with MUSA's mission and became a member of the board of directors as Treasurer, Secretary, and any area she can help in. Her goal is to fight for the common good.
